## President's Report 2023-24

The season saw the continuation of competitions with the inclusion of teams from Bankstown District Cricket Association at both junior and senior level. I would like to thank all clubs for their part and congratulations to the competition winners. With the inclusion of teams from Bankstown and St George, the junior competition continues to grow and this has been to a large part a result of our Junior Secretary, Gary Vandine who continued his dual role as Junior & Association Secretary's role this season.

In the NSW Youth Championship competition Canterbury/Wests fielded 5 sides as well as 1 team in the DCA President Cup competition. Canterbury/Wests enjoyed a good season achieving a good aggregate of wins with 1 team in the Youth Championships making the finals. A special mention to all the players as Canterbury Wests were awarded the Spirit of Cricket Award for teams that played in the Youth Championship, a proud achievement which reflects the character and attitude of the coaches, managers and of course the players involved. Canterbury Wests U12's were also successful in winning the Easter and Kookaburra Cups, as well as winning a Wests Ashfield Good Sports Award, a great achievement.

I wish to thank the players, coaches and managers of each of the representative teams, and to our resurgent rep convenor Dinesh Divikar for their efforts during the year. Dinesh also has had fantastic support from Anna Mori and Carla Beheram with their efforts with sponsorship and organisation. This season sees the continuation of our winter junior development program and it is exciting to see the prospects that will result.

The Executive had to adjudicate on several disciplinary matters relating to the Code of Conduct in the past season and handed penalties to players for breaches of the Code where applicable. The Code of Conduct was introduced in 2005/6 to provide a systematic and effective method of addressing these matters and is also looking to strengthen the Code of Conduct in certain areas. The Executive will continue to apply the provisions of the Code of Conduct and will not hesitate to hand down appropriate penalties where necessary.

I would also offer my thanks to Ray Marshall and colleagues at the CDCUA for your ongoing support in officiating at our games and a special mention to my fellow Executive members for their help and assistance throughout the season.

CWSCA is in a strong position both financially and from a participation point of view and the continued involvement of teams from Bankstown & St George the Association is looking forward to strong and successful club and representative season in 2024/25

Yours in Sport  
Brian Olsen  
Hon President

## Secretaries Report Season 2023-2024

### Mr. President

Office Bearers, Affiliates, Life Members,  
Ladies & Gentlemen

I am pleased to submit the 33rd Report of the Association for your perusal and adoption.

#### Election of Office Bearers

Brian Olsen again led us as President for his 15<sup>th</sup> year steering us on a steady path. I completed my Ninth year as Secretary with great help from Bill Howard as Assistant Secretary. Jimmy Oliveira again stood as treasurer and done a great job of keeping our finances in great shape. I also ran the juniors for the 2<sup>nd</sup> year running and getting right back into it.

Kara Cox, Greg Rennie, Garry Peats and Khurram Mahmood were elected to fill the remaining Executive Committee positions.

Dinesh Divakar the Rep convenor who was assisted by Carla Beheram and Anne Mori who both did a fantastic job in gaining a few sponsors throughout the season.

This is our 3rd season in a joint venture with BDCA in Seniors and now the Juniors have come over in all ages. We also ran a 3 - way joint venture with STGDCA in the u15-17's as well

We had 8 grades this season with 6 teams 7 grades and one of 8 teams in each grade.

Khurram Mahmood, Bryden Sharp (BDCA), Dean Vandine (Newtown Bluebags) and Paul Thomson (Life Member) along with our Registrar Geoff McKenzie were elected to the Permits & Grading Committee to sort out the grades and process the permit applications. A thankless job, but one done extremely well as most competition was very closely fought out. Great job all, thanks for your efforts. I would like to thank all the committee members for their help & support this year and to all the Senior and Junior clubs for a great season.

Bryden Sharp (BDCA) took over as President of BDCA this season from Peter O'Shea.

**Also, some great news, Benji Beheram from Earlwood Wanderers Under 13 div 1 gold team got selected in the Under 14 Australian Indoor Cricket team., along with his twin brother Asher who both played for NSW throughout out the season, great achievement indeed for the young lad.**

## **The C&WSCA Treasurers Report Season 2023/2024**

The Association recorded an operating profit of \$10,373.95 for season 2023-24 as planned when we ordered two seasons of representative player uniforms in advance last financial year which led to a loss result, with a significantly reduced representative uniform spend this season we produced as \$10,373.95 profit to balance up some of our season 2022-23 loss.

Ground hire fees paid by the C&WSCA decreased this season due to our change in policy not to reimburse our affiliated clubs in full for any ground hire invoices they pay for their home grounds which the C&WSCA use. This policy change has benefited the Association as we are paying out less in ground hire fees for the grounds which our clubs are paying increased ground hire fees for, while the C&WSCA use those grounds to play our competitions matches.

Kookaburra provided the C&WSCA \$2,500 in sponsorship as usual, while Anna and Carla our dynamic duo rep mums set record high reps fund raising with a mix of donations, grants, raffles, sausage sizzles at Bunnings and new sponsorships for our representative teams.

Thank-you to all our new representative team's sponsors for their financial support in 2023-24

James Van Gelder (\$2000), One Valencia (\$1000), Xnetit (\$500) and Canterbury BMW (\$500)

The Office of Sports granted \$11,600 and Wests Ashfield Leagues Club granted \$5,750 towards our representative teams thanks to the outstanding efforts Anna and Carla.

Our Winter Development program was partly covered by the fees raised from the players and \$100 per player was contributed by the C&WSCA.

The representative player fees raised in season 2023-24 combined with our representative fund raising, grants and team sponsors funds covered the coaching, gear, training and uniforms expenses of our expanding representative teams programs.

Our season 2023-24 financial year profit of \$10,373.95 is a welcome outcome especially as we've been able to continue providing Clubs \$100 per team financial relief as we started during Covid and have continued to date.

Thank-you to the C&WSCA executive and Life Members Paul Thompson our Honorary Auditor, Dinesh Divakar, Anna Mori and Carla Beheram for your support throughout the season in assisting with the association fund raising and management.

Regards

Jimmy Oliveira  
Hon Treasurer The C&WSCA

#### Explanation notes for Profit and Loss Statement

Our season 2023-24 profit of \$10,373.95 was planned by the C&WSCA executive team with the purchase of 2 seasons of representative playing uniforms in 2022-23 to cover 2023-24 in advance. This resulted in our 2022-23 loss being offset by our season 2023-24 profit of \$10,373.95.

While we still assisted all our clubs by maintaining our covid relief, \$100 per team fee reduction (down from \$800 to \$700 per senior team and down from \$700 to \$600 per junior team) plus we continued to pay \$100 towards every player in our Winter Development training program.

#### Representative Income and Expenses

Representative fees income includes Winter Development and Representative season fees collected from players, funds raising raffles, sausage sizzles at Bunnings BBQs, grants from the Office of Sports and Wests Ashfield Leagues Club plus our new reps sponsors to cover expenses including, payment for cricket equipment, representative clothing, training gear, and programs, trophies, award night functions photos and winter development training.

Winter development costs run over 2 financial years, with income being received in the previous financial year and costs being paid during the current financial year. In season 2023-24 The C&WSCA paid \$100 towards every Winter Development player's training expenses.

Representative expenses continued to increase in season 2023-24 with clothing and coaching, costing more. These costs were covered by the fees each player paid and the fantastic fund raising done by Anna and Carla as detailed in the Treasurer's report.

#### Administration Costs

These are the everyday costs of running the association namely, phone, internet, paper, printing and the like as incurred in the normal course of association business plus purchases of laptops, printers, mobile phone and internet bill payments as required by the Secretary and our executive committee from time to time.

#### Clubs Fees

Income received includes affiliation, ground fees, registration, bonds and fines for both senior and junior teams for the season. This income is used to pay for Councils Ground Hire Invoices, Umpires Fees and some of the other administration costs of the C&WSCA.

#### Association Phone Account

This amount represents the cost of the Association land line, internet connection and the Secretary's I-phone 14 mobile phone purchase in 2023 and his mobile phone and internet bills which has been included in Administration costs as approved by our auditor since 2015 to date
